CIVIL ACTION NO. 3:02cv54

DIRECTOR, TDCJ-CID

MEMORANDUM ORDER OVERRULING PETITIONER'S OBJECTIONS AND ADOPTING
THE MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION

Petitioner Theodore Broderick, an inmate confined at the Lynaugh Unit of the Texas Department of Criminal Justice, Correctional Institutions Division, proceeding *pro se*, brought this petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254.

The court heretofore referred this matter to the Honorable Don D. Bush, United States Magistrate Judge, at Sherman, Texas, for consideration pursuant to applicable laws and orders of this court. The Magistrate Judge recommends the petition be dismissed and denied.

The court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such order, along with the record, pleadings and all available evidence. Petitioner filed objections to the magistrate judge's

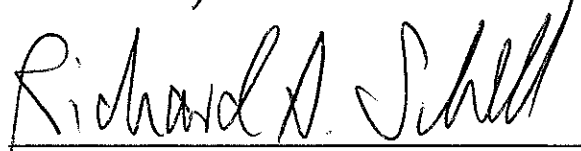

Report and Recommendation. This requires a *de novo* review of the objections in relation to the pleadings and the applicable law. See FED. R. CIV. P. 72(b).

Petitioner filed thirty-one (31) pages of objections to the Report and Recommendation, asserting that the magistrate judge erred in his review of petitioner's grounds and in his recommendation to deny relief. After careful consideration, the court concludes Petitioner's objections are without merit. Petitioner has failed to show either that the state court adjudication resulted in a decision that was contrary to, or involved an unreasonable application of, clearly established Federal law, as determined by the Supreme Court of the United States or resulted in a decision that was based on an unreasonable determination of the facts in light of the evidence presented in the State court proceeding.

O R D E R

Accordingly, Petitioner's objections are **OVERRULED**. The findings of fact and conclusions of law of the magistrate judge are correct and the report of the magistrate judge is **ADOPTED**. A final judgment will be entered in this case in accordance with the magistrate judge's recommendations.
